Disabled-friendliness and Barrier free Environment

Disability is a term that includes motor and sensory limitations like mobility, vision or hearing impairments. It also includes disabilities resulting from chronic illness and syndrome. Many disabilities vary in degree and type of the limitations, therefore, accommodations must also vary and should be tailored to the needs of individual.

St.Johns college of Pharmaceutical sciences will constitute a specialised committee for people with disabilities which will be responsible for preparing, executing and amending policy and guidelines for persons with disabilities.
